# Type Approval and decision on production control

#### Marking

The products are to be marked at the factory. The marking consists of a text on every packing supplied and includes:

#### Basis for approval

Report P005074A and 5P08467 from SP Technical Research Institute of Sweden. List of drawings dated by RISE 2023-08-31 with associated drawings.

#### **Comments**

The products are, where indicated, made in accordance with SS-EN 612:2005 or SS-EN 1462:2004.

Associated documents shall accompany the product or by other means be available to users of the product.

This type approval supersedes the previous type approval with the same number dated 2016-08-31, valid through 2021-08-30.

#### Validity

Valid through 2028-09-17.

The validity of this type approval can be verified at RISE homepage.

The validity of this type approval expires when the type approved products with the intended use according to this type approval shall be CE-marked according to the Construction Products Regulation (EU) 305/2011.
