Technical drawing of a stepped profile. The drawing includes the following dimensions and features:

- Top horizontal dimension:** A dimension line at the top left is labeled "Raundýpt" (Roundness) and "mm".
- Vertical dimension:** A dimension line on the left side of the vertical segment is labeled "mm".
- Horizontal dimension:** A dimension line below the horizontal segment is labeled "mm".
- Diagonal dimension:** A dimension line for the diagonal segment is labeled "mm".
- Angles:** Two angles are marked as 90° with dashed lines indicating the reference directions.
- Other dimensions:** There are two additional dimension lines on the right side, one for the vertical segment and one for the horizontal segment, both labeled "mm".
